Introducing Elizabeth Andrews

She is adept at leadership development and building high-performance teams during times of organizational change, resulting in improved clinical, operational, and financial outcomes. She has additional leadership experience in strategic planning, project management, and proven ability to make a difference using evidence-based principles and innovation.

Most recently, Liz was with Memorial Hermann Healthcare System as Director and Service Line Leader for Children's Services. She provided clinical, administrative, fiscal, and human resource management as well as strategic and operational planning for numerous clinical services. She also assumed the overall responsibility to develop, execute, and evaluate tactics that ensure growth for the service line. Prior to this, Liz served as Business Service Director at various hospitals where she was able to design, build-out and develop units as start-ups and oversee operations as well as regulatory standards.

As Director of Practice Development, Liz is responsible for recruiting and on-boarding extraordinary talent both domestically and internationally.

Liz obtained her Bachelor of Science in Nursing at the University of Kansas and her Masters of Science in Nursing at the University of Texas in Houston. She was on the Dean's Honor List, Awarded Scholarship Hall, and elected member of Sigma Theta Tau.
